**ii. Executive Summary of the Annual PHA Plan**

*The Winnebago County Housing Authority (WCHA) is a small high-performing agency with a long and distinguished record of service to the community. Program administration of the Authority is conducted by the Oshkosh Housing Authority under a cooperation agreement. The WCHA is principally involved in the ownership and management of thirty-unit "elderly" housing developments in Omro and Winneconne, eighty-six units of scattered-site family housing and the operation of a Housing Choice Voucher program exceeding 300 households. The WCHA also owns three group homes and has repeatedly acted as a conduit for tax-exempt financing for private development of affordable housing options.*

*In this era of burgeoning federal regulatory mandates the WCHA doesn't expect to launch new initiatives. Goals and strategies for the coming year center on effective management practices and affirmative marketing of existing programs. Despite the significant regulatory burden already in place, the Authority will consider applying for non-FSS fair share vouchers and special purpose elderly vouchers if they are made available in quantities to suggest an application may be funded.*

*The Authority will also be implementing a low-income homebuyer program fueled by pending grant applications seeking in excess of \$500,000. Financial commitment of CDBG from the cities of Neenah, Menasha and Oshkosh are already in place and federal HOME and state HCRI funds awards are anticipated.*

For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment. (2=modest impact; 3=moderate impact 4=significant impact)

### C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

*The Winnebago County Housing Authority has determined that aggressive utilization of existing resources can marginally help address identified affordable housing needs. However, given the onerous federal burdens generated in the past decade, existing funding and staffing can barely meet regulatory demands in the short term. Agency management expects familiarity with new PHAS, FASS, MASS, MTCS, REAC mandates will eventually diminish that burden. As those compliance efforts become routine, the agency focus can be directed back to service delivery. In the interim the Authority has pledged to affirmatively market and implement existing programs and to apply for non-FSS housing vouchers if they become available.*

### (1) Strategies

**Need: Shortage of affordable housing for all eligible populations**

**Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

Select all that apply

- ☒ Employ effective maintenance and management policies to minimize the number of public housing units off-line
- ☐ Reduce turnover time for vacated public housing units
- ☐ Reduce time to renovate public housing units
- ☐ Seek replacement of public housing units lost to the inventory through mixed finance development

- ☐ Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- ☒ Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- ☐ Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- ☐ Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- ☒ Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- ☒ Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- ☐ Other (list below)

**Strategy 2: Increase the number of affordable housing units by:**

Select all that apply

- ☒ Apply for additional section 8 units should they become available (*unless FSS*)
- ☐ Leverage affordable housing resources in the community through the creation of mixed - finance housing
- ☒ Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- ☐ Other: (list below)

**Need: Specific Family Types: Families at or below 30% of median**

**Strategy 1: Target available assistance to families at or below 30 % of AMI**

Select all that apply

- ☐ Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- ☐ Employ admissions preferences aimed at families with economic hardships
- ☐ Adopt rent policies to support and encourage work
- ☐ Other: (list below)

**Need: Specific Family Types: Families at or below 50% of median**

**Strategy 1: Target available assistance to families at or below 50% of AMI**

Select all that apply

- ☐ Employ admissions preferences aimed at families who are working
- ☒ Adopt rent policies to support and encourage work Flat Rents
- ☐ Other: (list below)

**Need: Specific Family Types: The Elderly**

**Strategy 1: Target available assistance to the elderly:**

Select all that apply

- ☒ Affirmatively market to local non-profit agencies that assist families with disabilities
- ☐ Other: (list below)

**Need: Specific Family Types: Races or ethnicities with disproportionate housing needs**

**Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs (select if applicable):**

- ☒ Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- ☐ Other: (list below)

**Strategy 2: Conduct activities to affirmatively further fair housing (select all that apply)**

- ☐ Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units

## Admissions Policy for De-concentration

The Authority's analysis of families served and on the waiting list for public housing determined that existing admissions policies are adequately broad and accurate to allow placement of a variety of eligible families. Further, since the authority's only public housing operations are scattered-site single family homes and duplexes, there are no development concentrations to evaluate. Finally, shrinking waiting lists allow quick access to available units for both extremely low-income and very low-income households.
